

You can tell them to stop calling you and tell them not to call again.
You can also sign up to the 'Do Not Call' register.
This stops most businesses from calling you but does not stop charities from calling you.
you can find the 'Do Not Call' website here: <https://www.donotcall.gov.au>.

It's OK to walk away poster

A3 poster that says how to stop the pressure from people selling stuff on the phone or in person.

Glossary: What these words mean

charity

A charity is an organisation that raises money and provides help for people in need. A charity does not make a profit like a business does.
